Rise of the Radiant Goddess

Astrology Educational Conversation in Pine City

**LIVING IN TUNE IN 2017**

**A Heavenly Onus to Heal Hearts and Souls  
On The Threshold of Change**

**Sunday - October 8, 2017 - 2:00 pm**

**We are now at the doorstep of CHANGE! Jupiter, Saturn, Uranus, and Chiron are changing signs from October 10 thru May 2018.** These large-cycle, life-stream markers signal shifts in the *Power Sphere\**, forward and away from what became our 'norm' during the last decade.

We will look at these portents and discuss opportunities, challenges, and adaptations that help us engage the evolutionary potential offered by these changes, in positive and affirming ways. We will also discuss 2017-18 eclipses and their effects described in current events and in our birth (astrology) charts.

*These astrology educational gatherings explore the teachings and empowerments offered by an eternally loving Cosmos, to better engage our Divine Providence, and develop faithful mastery in all times and conditions -- individually and together.*

**At the Signature Professional Building in Pine City, Minnesota**  
(About one hour north of the Twin Cities on I-35)

**Limited seating. To ensure your place,  
call Jeanne at 612-965-6545**

If you would like to receive a copy of your astrology birth chart via email, or at the meeting, email your birth data: **TIME** (ACCURACY NEEDED, from birth certificate), **DATE**, and **BIRTH PLACE** to: [rockets@hunavaruna.net](mailto:rockets@hunavaruna.net). Rockets will be available after the presentation for a brief personal chart-check of current life-stream indicators (transits). **Bring your birth data** for the 'chart check', if I don't already have it.

**Donations will be gratefully appreciated.**

*This event is presented by "Healing In The Zones" with Jeanne Halverson and is located at her office in Pine City. Certified by Dr. Ersdal as a Zone Therapist (1991), Jeanne is well studied and experienced in alternative and complementary therapies, sharing blessings, healing, and loving care in many lives.*
